Re: ExxonMobil Research & Engineering Company, Inc.  
Cases 22-CA-218903, 22-CA-223073, 22-CA-232016

Dear Ms. Ross:

This letter acknowledges receipt of Counsel for the General Counsel's Answering Brief to Respondent ExxonMobil Research and Engineering Co., Inc's Exceptions to Administrative Law Judge Michael A. Rosas' Decision, which was filed with the Office of the Executive Secretary on August 8, 2019.

Section 102.46(b)(1) of the NLRB's Rules and Regulations states that an answering brief to a party's exceptions must be filed "[w]ithin 14 days...from the last date on which exceptions and any supporting brief may be filed..." The last date for the filing of exceptions and supporting briefs in this matter was July 24, 2019. Thus, it follows that answering briefs to the exceptions were due on August 7, 2019. Counsel for the General Counsel filed her answering brief on August 8, 2019. Accordingly, the Counsel for the General Counsel's answering brief is untimely, and will not be considered by the Board.

Very yours truly,

/s/ Farah Z. Qureshi  
Associate Executive Secretary
